HOCH REALTY

ABOUT US

We are a professional real estate firm that specializes in brokerage and property development. We are driven by our collective desire and vision to deliver outstanding properties and top-notch services.

OUR SERVICES

Building Construction

We like to think that the actual work starts here. Our team of hard working constructors develop and build all types of projects including commercial and residential properties.

We also carry out internal and external refurbishment and renovation for all manner of properties

FINISHES

We finish buildings to the smallest details- from the partitioning (dry and wet walling), insulation, plastering and skimming, painting, texture coating, graviato, putting terracotta, tiling, fire- stoneware, sanitary ware, parquet, epoxy.

Property Sale and Lease/Rental

We list, sell and rent all sorts of properties. They may vary from commercial spaces, apartments, homes and warehouses. With numerous properties under our management, clients can always choose their desired property.

Architecture and Project development

Our services cover a comprehensive range of project requirements including site selection, master planning layouts, coordination of infrastructural design, architectural and landscape design, and project supervision.

Interior Design

As a modern firm inspired by diverse cultures and ethnicity, we infuse modern designs with medieval aesthetics to develop our home designs. We collaborate with our clients to birth their dream interior designs by developing 3D designs that suits their preference.

Consultancy

We are always happy to help! Even if we don't have what you are looking for, we probably know someone who does. Reach out to our team of experts today. We would love to hear from you and assist you as best as possible.

Our goal is to make procedures more transparent.
We provide our partner's needs using industry data
and insights.

We want to make this data available to you.
